After retiring in 1998, Guy was elected to two terms on the Fremont School Board. Because of his outstanding legacy of service, Union City named Guy Emanuele Jr. Elementary School in his honor.

The communities of Union City and Fremont have lost an outstanding educator, but Guy leaves his school district and community better prepared to provide an excellent education to all students.

I want to express my deepest condolences to Guy's wife, Kay Emanuele, daughters Rosalyn Reasor and Lisa Lockyer, sons Guy Emanuele III and Pete Emanuel, as well as his eight grandchildren. Guy will be dearly missed.

#### INTRODUCTION OF FAMILY AND MEDICAL LEAVE ENHANCEMENT ACT

### HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 5, 2014*

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, far too often, families feel constant competing pressure between home and work life. Since being signed into law in 1993 by President Clinton, the Family and Medical Leave Act has been used 100 million times by men and women across the United States to meet these dual demands. These individuals and their families have benefited from up to 12 weeks of job protected unpaid work leave to care for new children or to help a loved one or the individual recover from a serious health condition.

Today, 21 years later, federal workplace policies have not kept pace with work and family life needs. As a result, many families must unfairly prioritize work and family duties. It is time to enhance this legislation so that more families can access leave to help loved ones who need their assistance. That is why I am introducing the Family and Medical Leave Enhancement Act. This legislation will expand the Family and Medical Leave Act so that it covers businesses with 25 or more employees, from the current threshold of 50 or more employees. It also provides up to 24 hours each year of unpaid Parental Involvement and Family Wellness. This new addition allows parents and grandparents to attend to parent-teacher conferences and to take their children, grandchildren, or other family members to the doctor for regular medical or dental appointments.

We as a country must show we truly value families by investing in our workforce and implementing new policies that support working parents and grandparents. I urge my colleagues to support this important legislation.

#### DELTA DAYS AT THE NATIONAL CAPITAL

### HON. MARCIA L. FUDGE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 5, 2014*

Ms. FUDGE. Mr. Speaker, I rise to honor the women of Delta Sigma Theta Sorority, Incorporated as they use their collective strength to engage in public advocacy during Delta Days in the Nation's Capital.

101 years ago, Delta Sigma Theta Sorority, Incorporated's 22 trailblazing Founders started an organization of college educated women devoted to sisterhood, scholarship and service.

Since 1989, women of Delta from across the country gather annually to hold their representatives accountable and stand up for the issues critical to their communities and our country. Delta Days in the Nation's Capital, a creation of the sorority's National Social Action Commission, ensures the members of the sorority are active participants in the public policy-making process.

I am proud of the legacy and expectation of activism that forms the backbone of this sorority.

I welcome my Sorors to the Nation's Capital as they work for change in their communities.
